“Who’ll start to bid (出价) for the violin?” he shouted.

“One dollar? One dollar. Then, two! Only two? Two dollars, and who’ll make it three? Three dollars, once; three dollars, twice...”

“Wait a moment!” an old man with gray hair came forward and said. “May I play a piece of music for you?” The people in the hall gave him little applause as he picked up the violin and cleaned the dust off. But when he started to play, all the people were lost in the music because the old man played so beautifully.

Suddenly, the old man stopped playing. The auctioneer held the violin up again and asked, “Who would like to bid for the violin?”

“One thousand dollars! Who’ll make it two? Two thousand! And who’ll make it three? Three thousand, once; three thousand, twice...”

John went to see his bank manager who sent the remains of wallet and the money to the special department of the Bank of England in Newcastle: the Mutilated Ladies! They examined the remain and John got all his money back. “So long as there’s something to identify, we will give people their money back,”

My mom loves to feed birds. Every year, she puts a bird feeder on the big tree in front of our house. Then, she waits for the birds to come. She enjoys watching the birds coming to eat there.

But from last winter, two squirrels always came and ate all the birds’ food. Mom was angry. “Why do they think they can eat all the birds’ food?” she said. “If I wanted to feed them, I would set up a squirrel feeder.”

Mom tried every way in the book to keep the squirrels away. But squirrels are clever. Mom once put up a fence (栅栏). But the squirrels just found a way to jump over it.

Mom didn’t give up easily though. Two weeks ago, she went online and read all about the problems with squirrels stealing birds’ food. She found a new way successfully. It doesn’t hurt the squirrel at all. This is how it works. You put some food inside the trap. The squirrels come in to eat the food and the door closes. The squirrels are inside and cannot run away. This weekend, Mom caught the two squirrels with the trap and drove them outside the city.

Now, only birds come to Mom’s bird feeder. She is happy. The birds are happy. And of course, the two squirrels are happy living in the countryside where there is always lots of food to eat.

Dear Tom,

How's everything going?

I always know you are interested in Chinese Kungfu. I am going to have a Tai Chi competition at 9:00 on this Saturday morning in the city gym and I would like to invite you to come and cheer me on.

Tai Chi is one of the Chinese traditional martial arts. Tai Chi's movements are fluid, graceful and well-balanced, promoting the complete harmony of body and mind. No matter you are strong or weak, you all can choose Tai Chi as your ideal physical exercise.

I look forward to seeing you and hope that you can enjoy Tai Chi after watching it.

Yours,

Li Hua
